# Hull Family Hubs

## Volunteer with Us!

As a Family Hub Volunteer you will help to support the staff team to run a range of groups and activities for parents and carers with young children. You will learn new skills and experiences which will improve your confidence and boost your opportunities to finding employment.

You will require an Enhanced Disclosure & Barring Service (DBS) check and access to Safeguarding Children training. If you are interested in volunteering or would like more information, please contact your local Family Hub..

## HEY Baby

Free antenatal classes are available at Family Hubs across Hull if you are registered with a Hull GP and have had your 20-week scan. Visit [www.hey.nhs.uk/heybaby](http://www.hey.nhs.uk/heybaby) to find your nearest Hub and to make a booking.

## Early Help Family Support

There will be times when you and your family need support and times when you are not sure what you need to do to make things better.

There are a group of services in Hull collectively known as “Early Help” who can support you at these times and make problems easier to understand and quicker to solve.

## How can I find out more about accessing Early Help Support?

Pop into your nearest Family Hub, our team can support and guide you with the information you need. You can also speak to a professional who is currently known to your family, for example a Health Visitor/GP or somebody at your child’s nursery/school. Alternatively, you can request Early Help Support for you and/or your family via the online form which can be found at <https://www.hull.gov.uk/children-and-families/family-support/early-help-family-support> or scan the QR code
